To the Pivotal Wellness family:

I would like to personally thank each and every one of you for the trust and respect to be able to take care of you and serve your needs. My past 8.5 years in Ft Collins have truly been a blessing. Your belief in me has allowed me to grow to the practitioner that I am today. We have all shared many things, for that I thank you. For allowing me to take care of you, I thank you. For every referral, I thank you. Every laugh, hug and tear ever shed, I thank you.

We all know that change is inevitable. Though we would like to hold on to the "now," we need to let go with grace and allow others the chance to thrive. Please know that I have complete trust and confidence in Drs. Brian and Cathy Hollstrom. Together they add a renewed energy, vigor and passion to Pivotal that will only serve to grow. I urge every one of you to continue with your care. All that Pivotal is and has stood for, Drs. Brian and Cathy Hollstrom will be able to offer you and more. Dr. Brian is excellent with postural reintegration, disc rehabilitation, acute care and sports Chiropractic. Dr. Cathy is focusing her practice on family and pediatric Chiropractic as well as Homeopathy. Dr. Brian is a 3rd generation Chiropractor and alumnus of CSU. Dr. Cathy has been living the Chiropractic lifestyle ever since a teenager when she worked in a Chiropractic office which inspired her to become a Chiropractor. Drs. Brian and Cathy Hollstrom are congruent with their beliefs and those that Pivotal stand for, so much so that Kali, their 1 year old, was home birthed and has been adjusted since that time and has always loved the logo.

Come August the transition will begin and I will no longer be accepting new patients. My open adjusting hours will be limited to a couple days a week until the end of the year. I will also be in the clinic helping to consult on anything needed. During the times that I am not in the clinic I will be networking in the community on behalf of Drs. Brian and Cathy Hollstrom. During this time the office will also be changing its location. The new location is 4021 Suite B South College Ave., Fort Collins, Colorado 80525, located within the REI building, where 'Breathe Yoga' used to be. The services offered will be Chiropractic, Massage, Homeopathy, energetic modalities to include raindrop technique and reiki, life coaching, nutritional consultations and supplementation, low level laser, decompression and a yoga center.

On a personal note know that all of you have grown to be as a second family to me. The time has come for me to return to my family, the ones I have always had and to my future ones as well. I ask all of you for a written success story so that I can carry it with me and also use to build my practice easier. Also, if ever in the area, stop by and say hello. I am only an email away so please keep in contact.

Again, thank you.

Yours in Health,
Dr. Alan C Smith, DC, FICPA
